## 2010 ASCE MISSISSIPPI SECTION MEETING: SPONSOR/EXHIBITOR OPPORTUNITY

**The Event:** 2010 American Society of Civil Engineers, Mississippi Section Annual Meeting

**Location:** Vicksburg Convention Center, Vicksburg, MS

The 2010 annual meeting for the Mississippi Section of the American Society of Civil Engineers (ASCE) will be held in Vicksburg, MS on October 13-15. This is your invitation to sponsor or exhibit at the 2010 Annual ASCE Mississippi Section meeting and market your service or product to professional engineers from all over the state. The meeting will be co-hosted by the Vicksburg Branch. We are extremely excited to bring the annual meeting to Vicksburg due to its rich engineering history and heavy influence on the engineering community. There are more engineers in Vicksburg than any other area of the State!

The meeting will be held at the Vicksburg Convention Center ([www.vccmeet.com](http://www.vccmeet.com)) located at 1600 Mulberry Street, Vicksburg, MS. Opportunities are available to sponsor the meeting, reception, lunch and/or dinner. Sponsorship and exhibitor fees and benefits are presented on the attached registration form. Opportunities to make technical presentation showcasing your products and/or company projects are also available provided the topics relate to civil engineering and are technical in nature.

We are very excited about the upcoming meeting and have been working extensively with the convention center to assure that the event will be successful and worthwhile for all participants. Don't miss this opportunity to showcase your product or service at one of the largest annual gatherings of engineering professionals in the State of Mississippi. Exhibitor space is limited, so complete and return your reservation form as soon as possible. Please direct any questions or comments to Guillermo Riveros at the following address:
